5. **Matetic Corralillo Syrah 2010**
6. **Matetic EQ Syrah 2007**

Matetic is a boutique-style winery producing a range of fantastic wines using organic and biodynamic farming methods in the beautiful San Antonio Valley between Santiago and the Pacific Ocean.

Matetic's wines have elegance and style, yet wonderful intensity and purity of fruit. Rarely can one small winery deliver such consistently high quality from such a wide range of grapes in one small growing region
