

# Invitation to an exclusive wine dinner with 2 'rising Star' producers

On Tuesday 6th September at 18H30

at Restaurant Rubina, Zürich

Cost: CHF 170 per person

---

Enjoy a four course dinner, specially prepared by Zürich's award-winning Rubina Restaurant to match the delicious white wines of rising star Domaine Noue Marinic from Slovenia and the terroir-focussed red wines of Vina El Major 'Il Segreto' from Spain's Ribera Del Duero region.

Hosted by the winemakers - Vicomte Charles Noué, nephew of Madame Leflaive, and Almudena Alberca, Spain's only female Master of Wine.

Both producers are new to our range.

Domaine Noue Marinic produces some of the most exciting Chardonnays outside Burgundy at the moment from the Brda wine region just over the border from Italy's famous Collio region.

The 'Segreto' range of red wines from Ribera del Duero in Spain are fascinating examples of the different styles and terroirs from Ribera's three most important sub-regions.
